

Glamorgan Federation of Women's Institutes

Join our new Virtual WI!

Glamorgan Federation is inviting women from the age of 18 years to join their new virtual WI. You do not have to live in Glamorgan or even Wales to join us.

Virtual WIs meetings are held via the internet - using Zoom - so potential members must have access to the internet and suitable equipment.

Across the UK virtual WIs have been a great success – starting off with monthly meetings with speakers and demonstrations – but also creating interest sub- groups such as book groups, craft groups and other interests. You can be part of forming this new WI.

Make new friends, learn new skills, and enjoy all the benefits of the WI, Why not come and join us from the comfort of your home.
